

WOLF CUBS TAKE TO THE ICE

CONTRIBUTED PHOTO

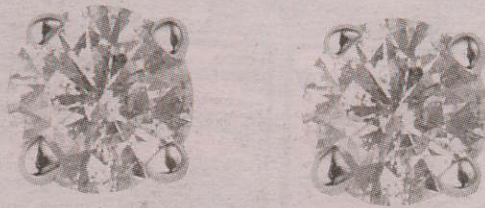

The Wolf Cubs of the 1st Stroud and 1st Alcona Scout group recently earned their skating badges with the help of professional instructors of the South Simcoe Hockey School. Alex Caruso and Steve Sands of the school donated their time and created a one-hour program designed to meet the badge's criteria. Kevin Ashby, the Wolf Cub's pack leader, said, "The instructors were very professional in providing a great learning experience, while having fun. Even within the large group, the Cubs received individual attention and learned some tips on improving their skating." For more information on Beavers, Cubs and Scouts in Stroud, call 436-2822 or e-mail him at dcseis@sympatico.ca.
